

ENVIRONMENTAL POLICY 2020

It is the policy of Alplas Limited to conduct all its business in a way to reduce or eliminate any adverse effect on the environment. The Directors are responsible for the leadership and commitment of the company in providing an assessed and controlled environment, conforming to the company's environmental objectives and legislation.

In order to achieve this, the company operates a Quality and Environmental Management System, which includes assessment of legal requirements, assessment of aspects of environmental impacts, remedial measure where required and a methodology for measuring targeted improvements in environmental performance.

Particularly the Quality and Environmental Management System will provide the framework for:

- Complying with legal requirements
- Employing all good environmental practices in its day to day operations
- Further the use of materials from sustainable resources
- Use registered waste disposal companies for removal of waste materials
- Ensure all company vehicles meet all emission standards
- Always maintain high standards of cleanliness in respect of litter and waste packaging
- Seek to re-cycle waste product and materials as much as possible
- Ensure that where possible cleaning agents used are of a biodegradable nature
- Ensure any chemicals used do not present an environmental hazard or where such a hazard is present properly manage the hazard to minimise environmental impact
- Limit to a minimum and strive to eliminate all emissions to the atmosphere e.g. dusts and carbon dioxide
- Limit to a minimum the use of electricity and gas supplies and to eliminate any wastage
- Stop the use of any chemicals that have a detrimental effect on the ozone layer
- Consider all environmental impacts of new equipment and of new work undertaken
- Maintain the prevention of any nuisance noise
- Evaluate key suppliers and seek a similar approach from them to the environment as described in this policy
- Respect all customers policies aimed at a better environment

The Directors ensure that this policy is communicated, understood and implemented at all levels in the company and is communicated to the public.
